**SHORTHORN BREEDERS'
ASSOCIATION**

**ANNUAL SHOW and SALE
BOWLING GREEN, MISSOURI**

Abernethy

SATURDAY, OCTOBER 30, 1965

On the front cover . . .

A scene at Fairmead Farms, Bowling Green, Mo. The bull is Bilmar Damascus; the red cow on the right is Fairmead Red Lady, one of their entries in this sale. Nowhere in such a concentrated area will you find such outstanding sires.

*Some of the Breed's Greatest Bulls
Are in Service in Pike County*

THEIR SONS AND DAUGHTERS MAKE UP THIS SALE OFFERING.

THEIR SERVICE IS A SPECIAL ATTRACTION.

Pike County breeders have always been willing to go out and pay the price for bulls that could work improvement — the herd bulls that come from Scotland, Canada and the best herds in the U.S. Pike County is no place for a second-rate herd sire and you won't find one there.

The bull pictured above is Acadia Napoleon 53rd, grand champion of the Canadian International Bull Sale and herd sire for Charles Harness & Son, consignors of ten lots to this sale.

GENERAL INFORMATION

TIME — The show will be held at 9:30 a.m. and the sale at 12:30 p.m. Saturday, October 30, 1965.

LOCATION — The sale will be held at the Pike County fairgrounds, Bowling Green, Missouri. Bowling Green is also located on the G.M.&O. railroad between Chicago, Ill., and Kansas City, Mo. Burlington trains will be met at near-by Louisiana, Mo., if you notify the sale manager of arrival. We will also make motel reservations for distant guests at either the Princess Motel, Myers Motel, or Show-Me Lodge at Bowling Green.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the action. All stock will be at buyer's risk as soon as bid off.

GUARANTEE — All cattle will be sold according to the standard guarantee recommended by the American Shorthorn Breeders Association.

A certificate of registry and a signed transfer will be furnished for each lot sold, and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's disease, except those exempt by virtue of vaccination and accreditation. Health charts will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests. Every person attending must do so at his own risk. The sale manager was retained by the Pike County Shorthorn Association for the specific tasks of preparing the catalog, handling the publicity and disbursing the receipts, and has no connection with the handling of the cattle or the condition of the premises.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

MAIL BIDS — Those wishing to buy at this sale, who cannot be present, may send their bids to the sale manager, Don Longley, of the Shorthorn World, 16 So. Locust Street, Aurora, Ill.; C. O. "Pete" Swaffar, Secretary, American Shorthorn Breeders' Association, Omaha, Nebr.; or to the auctioneer or consignors.

Sale Manager — DON LONGLEY, 16 So. Locust Street, Aurora, Ill.

SHOW AND SALE CLASSIFICATION

This show is co-sponsored by the Department of Agriculture and the Pike County Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution ribbon awards are as follows:

Grade A (Superior)—Blue Ribbon:

The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

Grade B (Good)—Red Ribbon

These animals are good enough to improve a large percentage of purebred and commercial herds.

Grade C (Medium)—White Ribbon

These animals are average for the breed.

Grade D (Unclassified)—No Ribbon

These animals are undesirable breeding animals.

Judge: WILLARD NELSON, Geneseo, Illinois

WAYMORE SECRET N 5th—A show prospect. Really a thick, low-set kind. Notice her depth of body. Bred July 11 to Findowrie Augustus.

Do you like to buy sons and daughters and females bred to some of the greatest bulls on the continent?

Do you like to buy them in just good thrifty flesh?

Do you like prices that fit the pocketbook of the practical cattleman?

COME TO PIKE COUNTY - - -

This sale is unusual in the respect that there are four consignors with ten or more lots. This could well be entitled a production sale of those herds.

Machbeth Royalist, grand champion bull 1964 Pike County Sale for W. L. McIlroy. The McIlroy herd has an outstanding consignment of three bulls and seven females.

This group of Glendale heifers sold in last year's sale. This firm is sending its largest consignment ever to the Pike County Sale this year . . . two bulls and seven females.

Pike County Famous for Shorthorns Since 1870

For more than 90 years there has been an active group of Shorthorn breeders at work in Pike County. They have been diligently promoting Shorthorns and breeding top cattle. For generations Pike County has been known as a source of the kind that can strengthen herds everywhere.

All you need do is study the list of sires currently heading these herds. In almost every instance they were brought to Pike County at prices from \$2,000 to \$7,000. They include bulls imported from Scotland and Canada as well as the cream of American herds. They are sires that have won many championships and that are producing outstanding sons and daughters.

Experienced Shorthorn breeders recognize the unusual opportunities offered in Pike County sales where the best productions of these herds are sold annually. A list of those who have purchased in this sale includes herds from a wide area. Men who get around and who know good cattle and the best values regularly appear on the lists of Pike County buyers. They, like scores of others, recognize the unusual opportunities offered here each year.

THE SMITHERS FEMALES

Jess Smithers & Son are offering in this sale their 1964 heifers by their new junior sire, Waymore Gus 19th. He is sired by Findowrie Augustus, the \$6,000 bull that produced top cattle for both Leveldale Farms and Charles Harness. These heifers are very uniform in color and body conformation. They are sound and have run in the pasture all summer and should develop into some very nice cows. Four of them are out of direct daughters of Elmcrest Royal Banker, grand champion bull at Missouri State Fair. This is an unusual opportunity to purchase females of identical breeding. They sell as Lots 29, 31, 32, 33, 34, 35, 37, 40, 43, 44, 45.
